

KITTEN

You will need:

10 sticks of any color
26 black sticks
19 white sticks
5"x12" foil

Scissors

Step 2:

Roll in the ends on two of those to make paws.

4

Step 4:

Use the other orange-twist to create the neck and tail. Lay this twist down the middle of the body and press the pieces together firmly.

6

Step 6:

Coil up one orange stick into a cylinder for the kitten's snout. Press this onto the neck.

8

Step 8:

Add small pieces of black for eyes, a small piece of pink for the nose, and small pieces of white (shredded up to make the pieces thinner) for whiskers.

1

Step 1:

Twist together 3 pairs of orange sticks.

3

Step 3:

Bend these pieces in half, then stack the two together to create the body as shown.

5

Step 5:

Wrap the middle of the body with 2 orange sticks.

7

Step 7:

Make an "M" shape out of a 1/4 piece of orange and press onto the head to make ears.
