

PAINTED PONY

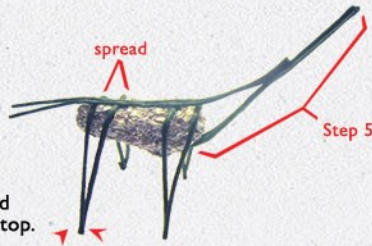

You will need:

- 16 purple sticks
- 15 neon blue sticks
- 10 green sticks
- 8 white sticks
- 1 black stick
- 9"x12" piece of foil
- 4"x6" piece of foil
- Scissors 

4

Step 4:

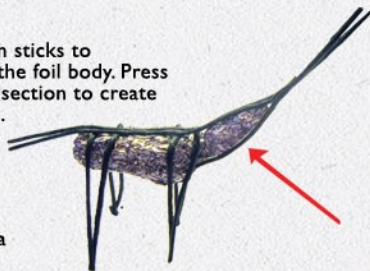

Flip it over. Fold the legs down. Twist them together at the bottom, and spread them apart at the top.

5

Step 5:

Add 2 more green sticks to the underside of the foil body. Press it against the top section to create a triangular space.

6

Step 6:

Crumple a 4"x6" piece of foil into a narrow triangle. Press it into the space created between the top and bottom sticks.

9

Step 9:

Wrap the tops of the legs in 4 neon blue sticks. Use 1 neon blue for each leg. Start by making a circle at the top of the leg, then fill it with smaller circles as you go down.

11

Step 11:

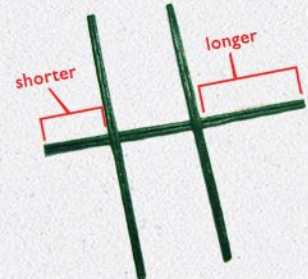

Cut 1 white stick to the length of the horse's neck + partway down the nose. Cut 3 white sticks into gradually shorter lengths. Press them against the first white stick as shown.

1

Step 1:

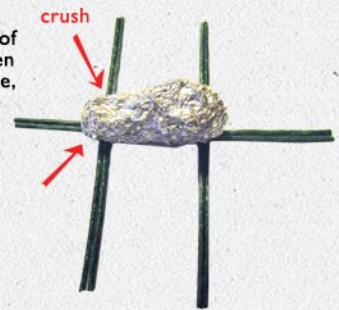

Make 3 pairs of green sticks. Press them together into this shape:

2

Step 2:

Crumple a 9"x12" piece of foil into an egg shape, then crush it down on one side, as shown.

3

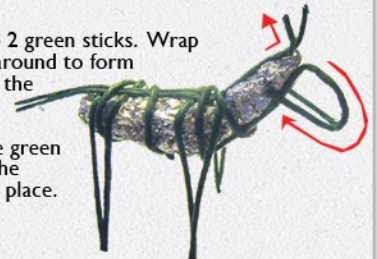

Step 3:

Press the foil into the center with the crushed side near the shorter end.

7

Step 7:

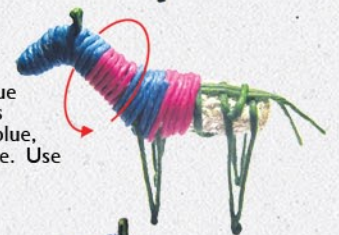

Fold up the ends of the top 2 green sticks. Wrap the bottom 2 green sticks around to form 2 loops. Secure the ends of the loops by pressing them against the sticks on either side, as shown. Add 2 more green sticks around the body of the horse to hold everything in place.

8

Step 8:

Beginning with a small spiral at the nose, wrap the body in alternating sections of neon blue and purple sticks. This horse is covered in: 3 blue, 2 purple, 3 blue, 3 purple, 4 blue, then 2.5 purple. Use scissors to cut off any extra.

10

Step 10:

Finish each leg with 1 purple sticks, using 4 purple sticks all together. Fold the ears in half into short triangles. Fold 3 white sticks in half and pinch them together at the folds. Press the bunch of folded sticks against the extended green pieces to secure the tail.

12

Step 12:

Cut 1 short piece of neon blue stick. Use it to make an "M" shape along the edges of both ears. Lay the mane onto the head/neck, between the ears. Press along the top to secure it. Cut 2 small pieces of black stick to make the eyes.
